

CAPABILITY STATEMENT

BUSINESS SUMMARY

Koiko Design LLC is a full-service Art and Design Studio, founded in 2005, with experience of working with clients in the Private and Government sectors. We are dedicated to a high standard of creative thinking, from concept to strategy and implementation. Koiko Design specializes in offering creative direction and design for Branding and Identity, Visual Communications, Advertising, Packaging, Web, Exhibits and Displays. We are highly trained in providing Photography and Video services, Fine Arts and Art Education.

CORE COMPETENCIES

ART DIRECTION

Providing Art Direction on projects that require project management and creative input.

GRAPHIC DESIGN SERVICES:

Offering Graphic Design services for logo design, business cards, letterhead, envelopes, brochures, page layout, advertisements, presentation folders, exhibits and displays, package design, and a range of other design requirements.

INDEPENDENT ARTIST SERVICES AND ART EDUCATION

Providing consultation services on fine arts acquisition, in addition to creating physical artworks and site-specific public art. We organize and conduct art education classes and workshops for both children and adults.
